Leading Gun Makers Sponsor 2008 Area 8 Match

Glock, Smith & Wesson, Springfield Armory and STI International sign up as division sponsors.

Sedro-Woolley, WA — Alan Meek, the United States Practical Shooting Association (USPSA) Area 8 Director, announced that four leading firearms makers have signed on as division sponsors for the TechWear USA 2008 USPSA Area 8 Championships May 22-25 at the East Huntingdon Sportsmen's Association range in Alverton, Pennsylvania.

“Thanks to the generous support of division sponsors Glock, Smith & Wesson, Springfield Armory and STI International, four of the biggest names in Practical Shooting competition, this year's Area 8 Championships are shaping up to be among one of the best shooting matches of the year,” said Alan Meek, USPSA Area 8 Director.

Upwards of 320 top shooters from across America are expected to battle their way through 11 challenging stages at the East Huntingdon Sportsmen's Assn. range. The strong shooter turnout is due in no small part to the continued growth in industry sponsorship.
