## Babes with Bullets...Women Having Fun with Guns™

It's not just only a book, it's a series of "ladies only" action pistol handgun camps available for novice, intermediate and advanced shooters. From ladies who have never held a gun before to those who participate in *Cowboy Action, IPSC, IDPA, Bullseye or Trap & Skeet*, these camps have something to offer.

### Who said camp was just for kids?

The age span of our campers is from 25 to 70 years old, with a desire to try a new adventure as the common ground. KAY CLARK-MICULEK, a many time national and world handgun champion, is the founder and head instructor. Assisting her are JULIE GOLOSKI and LISA MUNSON, each holding a variety of handgun championships

to their credit. DEBBIE FERNS, *BabeswithBullets.net*, is the camp organizer.

### Kudos to Smith & Wesson!

In 2004 and again in 2005, *Smith & Wesson* was our camp sponsor. We are proud to announce they have returned for our 2006 season. We have already scheduled several camps for this year in various parts of the U.S.

### More than just a camp...

Consider the camp part education, part pajama party and 100% enjoyment. Make new friends within the shooting sports community or bring your gal pals and create new memories.

### Happy Campers:

Penny Cramer, Yvette Lass, Debbie Ferns, Cindy Catizone
